Dear Mr. Phillips:

Thank you very much for advising us of the availability of the original picture of Abraham Lincoln with the unfinished Capitol Building in the background.

Through the years we have followed a plan for acquiring oil paintings which would not make it possible for us to give the item you have consideration although it appears to be a very well done canvass.

With your permission we will keep the picture on file as I am especially interested in it because I happen to have been born in Worcester, Massachusetts and I am pleased to know indeed that the city is still producing artists of note.

Very truly yours,
